COUNT I

III.

That the Defendants and or their agents willfully, maliciously and intentionally inflicted emotional distress and financial ruin upon the Plaintiff without just cause with the intent of harming the Plaintiff by breaching the Fiduciary statutes in the County of Santa Clara Family Court by telling Plaintiff that Defendant Stratton had no income and no employment thereby threatening to take action to receive spousal support. In reality, Defendant Stratton had created income hiding mechanisms to keep his true income secret. His income was and most likely still is being derived from the rental income from 9 properties in Nevada and 4 properties in Phoenix, AZ.

COUNT II

IV.

That the Defendants and or their agents willfully, maliciously and intentionally inflicted emotional distress and financial ruin upon the Plaintiff without just cause with the intent of harming the Plaintiff by committing Wire and Mail Fraud. This breach was made known to Plaintiff on May 1, 2020 when Plaintiff's former Family Attorney, under oath, told of the admission by Defendant Anthony Boskovich that he knew that Defendant Gary Stratton had been married on October 17, 2015 and thereby could not enter into the Mutual Waiver of Spousal Support. The Mutual Waiver of Spousal Support was part of an agreement to waive the Statute of Limitations in the Santa Clara County Superior Court Malicious Prosecution suit so that Defendants could continue with the suit. As a direct and proximate cause of Defendants' and or their agents actions, the Plaintiff was in fact irreparably harmed by the Defendants and or their agents.

COUNT III through XIV

V.

That the Defendant and or his agents have intentional, maliciously, and without just cause, committed aforementioned Fraud at least 10 times in the Civil Court and Once in the Family Court. First, by failing to inform the Superior Court of the County of Santa Clara at the Trial Setting Conference on January 6, 2016 that the Statute for completing the Stratton v Du Bois Malicious Prosecution Case ran out on April 21, 2016 thereby allowing the Court to set the trial for June 6, 2016 and at all subsequent appearances in the Malicious Prosecution case 1-11-CV-199490:
